

FIRMLOK[®] BEAMS

**THE IDEAL BEAM SOLUTION FOR PATIOS, CARPORTS,
DECKS AND OUTDOOR STRUCTURES**

- Non-combustible alternative to timber
- Lightweight and easy to install
- Made using COLORBOND[®] steel and ZINCALUME[®] steel
- Available in three depth sizes, custom lengths and in a range of colours

STRUCTURAL BEAMS MADE FOR AUSTRALIAN CONDITIONS

Designed for Australia's unique building environment, LYSAGHT FIRMLOK® beams provide a strong, lightweight steel alternative to timber for outdoor structures including patios, pergolas, verandahs and decks.

With a range of beam sizes, colours and compatible bracket systems, FIRMLOK® offers builders and DIY installers a reliable and compliant solution.

INSTALLATION & KEY BENEFITS

LYSAGHT FIRMLOK® beams are designed for fast installation and long-term durability.

- Lightweight and easy to handle on site
- Installed using FIRMLOK® brackets and accessories
- Non-combustible alternative to timber
- Won't warp, split, rot or attract termites
- Straight, consistent beams for a clean finish
- Fixed with standard self-drilling screws suitable for steel framing (bolts required for some attachments)

APPLICATIONS

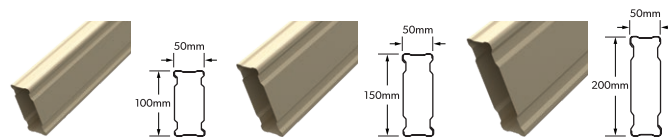

Designed to complement LYSAGHT® roofing and rainwater products, FIRMLOK® beams are suitable as head beams, rafters, purlins or bearers for a wide range of outdoor structures, including:

- Deck structures
- Alfresco areas
- Patios
- Carports
- Verandahs
- Awnings
- Pergolas

BEAM OPTIONS

FIRMLOK® beams are available in:

- Standard depths: 100mm, 150mm and 200mm
- Available as standard stock lengths for common applications, or custom cut to lengths up to 9m

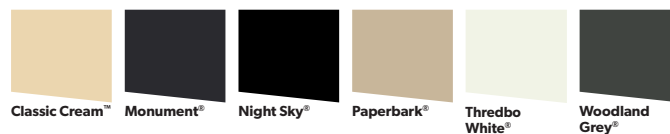

This flexibility allows builders to match beam sizes to span requirements across a wide range of outdoor structures.

FRAME COLOURS

FIRMLOK® beams are available in selected COLORBOND® steel colours and ZINCALUME® steel, allowing beams and brackets to match surrounding structures.

Available colours include:

Note: Not all frame colours available in all regions. Contact your distributor or local Lysaght branch for colour availability in your area.
