CARPORTS MADE FOR AUSTRALIAN CONDITIONS

Colorbond® Zincolume®

Designed with Australia's unique climate in mind, our LYSAGHT® carport kits are the ideal solution for your vehicle protection needs.

BUILT TO LAST

LYSAGHT® carport kits are designed to perform for many years to come and have been:

- Manufactured using 100% Australian made COLORBOND® and ZINCALUME® steel
- Designed for the tough and uncompromising Australian climate
- Fully tested in cyclonic and non-cyclonic conditions
- Engineered to meet Australian standards
- Backed by BlueScope and are supported by an up to 15-year COLORBOND® steel warranty against corrosion, perforation and paint flaking and peeling*

*warranty is subject to terms and conditions.

Visit warranties.bluescopesteel.com.au for details

EASY TO ASSEMBLE

Perfect for the home and DIY handyman, all LYSAGHT® carport kits and components are:

- Supplied with our easy to follow 10-step construction guide
- Designed to be constructed without the need for any special tools or skills
- Designed with custom made connectors to be put together quickly and with the minimum of fuss

The printed steel colours shown have been reproduced to represent actual colours as accurately as possible. We recommend checking your chosen colour against an actual product sample before purchasing as varying light conditions and print limitations affect colour tones. Products featured in this document may not be available in all COLORBOND® steel colours shown.

® product and colour names are registered trade marks of BlueScope Steel Limited. ™ product and colour names are trade marks of BlueScope Steel Limited ABN 16 000 011 058. The LYSAGHT® range of products is exclusively made by BlueScope Steel Limited trading as Lysaght.
