INSPIRATION TO BUILD BETTER

BUILD BETTER WITH LYSAGHT® STEEL FENCING

Whether you've just built a new home and want to add the finishing touches, or would like to lift the curb appeal of an existing home, a stylish new fence is the perfect way to do it.

Aside from adding visual impact, a quality fence also provides privacy and added security for your greatest investment. With a variety of styles and colours available, the LYSAGHT® steel fencing range provides the inspiration to build better – it's the ideal choice when it comes to beautiful yet tough, low maintenance fencing.

LYSAGHT - SHAPERS OF COLORBOND® STEEL

COLORBOND® steel is Australian-made pre-painted steel that's supplied to Lysaght in large coils. Lysaght then shapes the COLORBOND® steel (through the process known as rollforming) into our range of roofing and walling products, gutters, fascia and downpipes, fencing systems, plus home improvement products such as verandahs, patios and carports.

PERFORMANCE WITH STYLE

Boundary fences are one of the most visible features of many homes – and also one of the most exposed to the elements. That’s why the fence you choose needs to be attractive, strong and designed to last.

Choose a LYSAGHT® steel fence and you can be confident that our years of steel fencing experience will ensure you get a fence that will not only look great when you install it but will give you peace of mind for years to come.

Your LYSAGHT® steel fence is;

DESIGNED FOR STYLE

LYSAGHT® steel fences are available in a range of styles and colours to suit every Australian home. Complemented by a range of accessories you can be confident of finding the perfect fence for your home.

BUILT TO LAST

Designed to Australian Standards, fully engineered and wind pressure tested to Australian wind loading standards in our NATA accredited facility, LYSAGHT® steel fences combine a unique post and rail system with hi-tensile 0.35mm steel sheets to produce one of the strongest steel boundary fence ranges on the market.

PROVEN IN AUSTRALIA

Because your LYSAGHT® steel fence is shaped from genuine COLORBOND® steel, the only pre-painted steel fencing material with over 50 years of proven performance in Australia’s harsh conditions, you can be confident that your new fence will be a secure, strong and beautiful addition to your home.

DURABLE AND SUSTAINABLE

100% recyclable, LYSAGHT® steel fencing is also non-combustible, fire, termite and rot resistant and only requires the occasional hose or wipe down to keep it looking good for years to come.

BACKED BY A REAL WARRANTY

A LYSAGHT® steel fence gives you real peace of mind. Not only do we offer a material warranty¹ backed by one of Australia’s leading manufacturers - BlueScope, but our comprehensive product testing has enabled us to offer a 10 year structural warranty².

NEETASCREEN®

LYSAGHT'S ORIGINAL BOUNDARY FENCE

Versatile, durable boundary fencing shaped from COLORBOND® steel, NEETASCREEN® is a tried and trusted choice for any home. Designed to blend into the background and help keep your property secure, NEETASCREEN® has been our most popular steel boundary fence.

WHY LYSAGHT ONLY USES AUSTRALIAN COLORBOND® STEEL

COLORBOND® steel has been made in Australia since 1966 by

BlueScope - Australia's largest steelmaker and a global leader in the manufacture of pre-painted steel.

Decades of Australian research and development have gone into creating a range of technologies that give genuine COLORBOND® steel its long lasting performance in Australia's harsh climate.

Renowned for its quality finish and durability, and backed by a material warranty¹ from BlueScope, COLORBOND® steel is one of Australia's most trusted building materials.

Colorbond®

SUSTAINABILITY

At Lysaght, we manufacture our LYSAGHT® steel building products range from 100% Australian-made metallic coated and pre-painted steel. These ingredient steel products are durable and resilient to Australia's harsh climate and their long life helps conserve resources and energy that may otherwise be invested in products with a shorter life span.

All LYSAGHT® steel building products contain recycled content and the steel in LYSAGHT® products is 100% recyclable. In some cases it can be reused without reprocessing, again saving on energy and resource use.

PRODUCT DESCRIPTIONS

All descriptions, specifications, illustrations, drawings, data, dimensions, and weights contained in this publication and websites containing information from Lysaght are approximations only. They are intended by Lysaght to be a general description for information and identification purposes and do not create a sale by description. Lysaght reserves the right at any time to:

- a) Supply goods with such minor modifications from its drawings and specifications as it sees fit, and
- b) Alter specifications shown in its publications and websites to reflect changes made after the date of publication.

Not all LYSAGHT® products are available in all materials, finishes and colours shown. Material, finish and colour availability is indicative only and is subject to change without notice – contact Lysaght, your reseller, builder, or installer for more information.

The colour swatches shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones and finishes.

¹ Warranties are subject to exclusions, application and eligibility criteria. For full terms and conditions and to determine the eligibility of your product for the warranty visit bluescopesteel.com.au/warranties or contact BlueScope on 1800 800 789. Warranties provided by BlueScope do not affect consumer rights under the Australian Consumer Law.

² Warranty is subject to terms and conditions. Visit lysaght.com for details.

³ LYSAGHT® fences with toppers are available in overall heights of 1500mm, 1800mm and 2100mm (topper forms top part of panel), and in fence panel width of 2350mm.

⁴ Standard fencing colour range shown. Secondary fencing colours may be available. Contact us for more information.
