

# FENCING & SCREENING

SOUTH AUSTRALIA

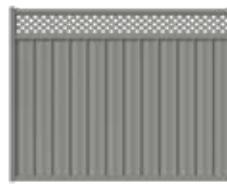

Experience the unparalleled enhancement a LYSAGHT® steel fence brings to your cherished home. Shaped from 100% Australian-made COLORBOND® steel, available in a contemporary array of popular colours, a LYSAGHT® fence doesn't need painting, requires only minimal maintenance, and is impervious to termite attack. Offering a selection of styles tailored for both non-cyclonic and cyclonic regions, a LYSAGHT® steel fence is the perfect choice for every proud Australian homeowner.

### PRODUCT DESCRIPTIONS

All descriptions, specifications, illustrations, drawings, data, dimensions, and weights contained in this publication and websites containing information from Lysaght are approximations only. They are intended by Lysaght to be a general description for information and identification purposes and do not create a sale by description. Lysaght reserves the right at any time to:

- Supply goods with such minor modifications from its drawings and specifications as it sees fit, and
- Alter specifications shown in its publications and websites to reflect changes made after the date of publication.

The colour swatches shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones and finishes.

Not all LYSAGHT® products are available in all materials, finishes and colours shown. Material, finish and colour availability is indicative only and is subject to change without notice – contact Lysaght, your reseller, builder, or installer for more information.

<sup>1</sup> 2100mm panel height option not available for 3100mm wide panel.

<sup>2</sup> LYSAGHT® fences with toppers are available in overall heights of 1500mm, 1800mm and 2100mm (topper forms top part of panel), and in fence panel width of 2350mm.
