INSPIRATION TO BUILD BETTER

YOUR HOME, YOUR CHOICE

UNLOCK YOUR HOME'S TRUE OUTDOOR LIVING POTENTIAL WITH A LOW MAINTENANCE AND DURABLE AUSTRALIAN MADE SOLUTION FROM LYSAGHT LIVING®.

Whether you're after a verandah, gazebo or carport range of expertly-designed solutions are the perfect blend of style and substance. You'll extend your home while adding to its value and the lifestyle benefits are endless. Entertain like an expert in chic al fresco surrounds or simply relax in your new outdoor sanctuary all-year round!

WE MAKE IT EASY

Any home addition project can seem daunting. Options abound so at Lysaght we've put together this simple guide to help you with a four step process to take you through some of the basic decisions you'll need to make.

STEP 1

STRUCTURE STYLE AND DESIGN

STEP 2

ROOFING OPTIONS

STEP 3

CHOOSING COLOURS

STEP 4

FINISHING TOUCHES

LYSAGHT – SHAPERS OF COLORBOND® STEEL

COLORBOND® steel is Australian-made pre-painted steel that's supplied to Lysaght in large coils. Lysaght then shapes the COLORBOND® steel (through the process known as rollforming) into our range of roofing and walling products, gutters, fascia and downpipes, fencing systems, plus home improvement products such as verandahs, patios and carports.

Colorbond®

STEP 1

STRUCTURE STYLES AND DESIGNS

WHEN IT COMES TO YOUR HOME THERE'S NO SUCH THING AS A ONE STYLE FITS ALL SOLUTION.

That's why with LYSAGHT LIVING® you can tailor your new home addition with a choice of roof styles to suit your structural or aesthetic needs.

Attached or freestanding, the design of your patio, verandah or carport can provide a seamless addition to reflect your home's existing roofline, or provide an attractive counterpoint with a range of complementary design options.

FLAT ROOF/SKILLION

A flat roof or skillion structure is a versatile and flexible style that is strong, durable, and easy to erect. This flat or single slope roof blends seamlessly with your home whether attached or freestanding.

PITCHED HIP

A pitched hip roof matches the existing design of many homes, featuring two pairs of roof slopes at the same pitch to give a clean, symmetrical look to your patio or carport.

PITCHED GABLE

The pitched gable structure is a simple design featuring a flat, vertical space at the ends of the patio or carport which can be left open or filled in with infills such as slats or light panels.

PITCHED DUTCH GABLE

A hybrid of the pitched hip and gable options, a pitched Dutch design compliments the traditional architectural designs evident in homes across Australia.

GAZEBO & GAZEBO END

A Gazebo is an elegant extension to any home, perfect as a freestanding structure in the garden. You can also achieve a Gazebo look by using a multi-sided Gazebo end in combination with a flat roof/skillion structure.

COMBINATION

If you are looking for a mix of skillion and pitched designs, opt for a combination structure. Perfect for creating a unique look in larger spaces, a combination structure is a premium choice for your patio or carport needs.

DECK FRAMING

A deck framing solution that delivers all the benefits of steel including its lightweight nature, dimensional stability and the availability of long lengths that suit every unique design challenge.

STEP 2

ROOFING OPTIONS

FOR MORE THAN 150 YEARS, LYSAGHT® ROOFING PRODUCTS HAVE BEEN A DEFINING PART OF AUSTRALIAN ARCHITECTURE, AND IT'S THIS UNIQUE STYLE THAT WE BRING TO OUR LYSAGHT LIVING® RANGE.

Shaped from COLORBOND® steel, our choice of roofing profiles give you the opportunity to create your own style and the ideal mix of light, shade and comfort for your outdoor area. For added comfort insulated panel roofing panels are also available to suit your LYSAGHT LIVING® home addition.

FLATDEK®

For a flat, ceiling-like underside on your patio or carport, FLATDEK® is the ideal roofing option. Offered with a high-gloss finish on the underside in a range of popular colours for premium look on your patio or carport.

CUSTOM ORB®

CUSTOM ORB® is the famous and original LYSAGHT® corrugated profile which others can only imitate. A long, wide, strong, lightweight, and economical profile, CUSTOM ORB® is equally at ease in both traditional and contemporary architecture.

TRIMDEK®

Featuring conventional, trapezoidal ribs and subtle fluting in the pans, TRIMDEK® provides any project with a clean and simple, yet pleasing finish. A lightweight and economical profile, TRIMDEK® has an excellent spanning capacity for wide open areas.

SPANDEK®

The contemporary-looking, square-corrugated profile of SPANDEK® is ideal where a stronger, bolder, and more modern corrugated appearance is preferred. Combining with a high water carrying capacity it's perfect for areas of high rainfall.

INSULATED PANELS

Insulated panels are three-layered insulated roofing solutions featuring COLORBOND® steel on both the top and bottom side that give a smooth ceiling like appearance to the underside of your outdoor addition. The outstanding thermal performance helps balance out temperature fluctuations keeping the space cooler in summer and warmer in winter.

STEP 3

A WORLD OF COLOUR

FROM WARM AND EARTHY SHADES TO SERENE COASTAL TONES, LYSAGHT LIVING® HAS A SPECTRUM OF VIBRANT CHOICES TO MAKE YOUR HOME ADDITION A MASTERPIECE.

An extensive range of colour options are available for the various components that make up your LYSAGHT LIVING® patio, carport, verandah, gazebo or decking.

STEP 4

FINISHING TOUCHES

COMPLETE THE LOOK OF YOUR NEW LYSAGHT LIVING® HOME ADDITION WITH OPTIONS THAT REFLECT YOUR PERSONAL PREFERENCES AND DESIGN AESTHETIC.

Polycarbonate roof sheeting allows light to flow through to your outdoor covered area whilst providing UV protection for your family and guests. It is available in a range of profiles to match your steel roof cladding. There are also a range of colour tints to match and blend with your COLORBOND® steel colour choices.

Guttering and downpipes complete your patio or carport solution. Both are available in the broad spectrum of COLORBOND® steel colours to blend in or contrast with your patio or carport roofing, beams, and posts.

THE ENGINEERED, LIGHTWEIGHT STEEL BEAM AT THE HEART OF EVERY LYSAGHT LIVING PATIO, CARPORT AND PERGOLA PROJECT.

FIRMLOK® BEAM

Designed to blend perfectly with your roofing profile and colour choice FIRMLOK® structural beams are made from COLORBOND® steel. With a high gloss finish, they are light and strong, delivering both structure and functionality to your outdoor addition. Square posts can be matched to the COLORBOND® steel colour of your choice.

WHY CHOOSE LYSAGHT LIVING®?

1. EXPERTISE AT EVERY STAGE

From utilising the latest design software to smoothing council approvals, we'll ensure your home add-on doesn't add any stress!

2. DESIGNED WITH PRECISION

Clever components such as connectors and brackets are pre-welded to reduce construction time and to deliver a neat and tidy finish.

3. THE WORLD OF COLOUR

The wide array of COLORBOND® steel colours allows you to seamlessly match existing features like roofing, guttering and downpipes.

4. STRONG FOUNDATIONS

Australian-made COLORBOND® steel is manufactured to Australian standards and tested in some of the country's harshest climates.

5. THE FLAWLESS FINISH

Advanced COLORBOND® steel paint technology provides a durable finish resistant to peeling, chipping and cracking.

6. PEACE OF MIND

Every LYSAGHT LIVING® structure is backed by a 20-year structural performance warranty² plus a generous COLORBOND® steel warranty on the materials used.

TALK TO OUR EXPERTS

Although our national network of dealers can visit your home to measure and design the perfect outdoor solution, you can also bring in your plans to one of our Lysaght branches if you're building or renovating. Your fully costed, LYSAGHT LIVING® design is expertly prepared and comes with the documentation required for council approvals.

When it comes to installation, simply ask your builder to use a LYSAGHT LIVING® kit, or contact us to help you find a local builder. You can also opt to DIY. All outdoor additions are delivered as a ready-to assemble kit complete with instructions and LYSAGHT LIVING® SmartParts™ to simplify your installation.
