STRENGTH AND STYLE IN EVERY DESIGN

INSPIRATION TO BUILD BETTER

THE ULTIMATE STYLISH ADDITION FOR YOUR HOME

Unlock the true outdoor living potential of your home with LYSAGHT LIVING® - offering low-maintenance and durable solutions, all proudly made in Australia.

Whether you envision a charming patio, a stylish verandah, or a protective carport, LYSAGHT LIVING® has tailored options to suit your needs.

Entertain like an expert in the alfresco comfort of a custom-designed patio or verandah. Alternatively, safeguard your valuable investments, including cars, boats, and caravans, with a fully-engineered carport solution.

Every LYSAGHT LIVING® structure is fully engineered and incorporates 100% Australian-made COLORBOND® steel giving you the peace-of-mind of industry-leading structural integrity and durability.

LYSAGHT LIVING® solutions effortlessly blend style and substance, extending your home's living space whilst adding to its overall value.

Transform your home with LYSAGHT LIVING® - where outdoor living meets exceptional design and enduring quality.

LYSAGHT – SHAPERS OF COLORBOND® STEEL

COLORBOND® steel is Australian-made pre-painted steel that's supplied to Lysaght in large coils. Lysaght then shapes the COLORBOND® steel (through the process known as rollforming) into our range of roofing and walling products, gutters, fascias and downpipes, fencing systems, plus home improvement products such as verandahs, patios and carports.

Colorbond®

VERSATILE OUTDOOR LIVING FOR EVERY OCCASION

Create an outdoor living space perfect for every occasion with a LYSAGHT LIVING® patio, pergola or verandah. Meticulously designed to seamlessly integrate with your home, our structures are crafted to maximise your home's potential.

Whether you're after a space for entertaining friends and family, or a tranquil sanctuary for relaxation, LYSAGHT LIVING® has a solution for almost every home and lifestyle. With a wide range of options to choose from, flat or pitched, freestanding or attached, we are confident in meeting nearly every design brief.

From impressive outdoor dining areas to verandahs that harmonise with your home's existing design, our solutions can cater to your unique style. Rest assured, all components are fully engineered and tested to meet Australian standards, ensuring strength and durability.

Experience the added benefit of COLORBOND® steel with Thermatech® solar reflectance technology, which helps keep your roof and building cooler by reflecting more of the sun's heat. Every detail, from the smallest components to the beams and sheeting, is meticulously designed to embody strength, durability, style, and comfort.

Transform your outdoor space with LYSAGHT LIVING® where versatility meets quality.

IMAGINE THE POSSIBILITIES

Looking to increase the liveability and comfort of your home?
It's hard to beat a LYSAGHT LIVING® home improvement solution.

PRACTICAL, AFFORDABLE SHELTER AND PROTECTION

When you've invested in a new car, boat, or caravan, safeguarding your valuable assets becomes paramount. Enter the LYSAGHT LIVING® carport - an epitome of practicality, affordability, and tailored protection.

Acting as a solid and durable defence against the harsh elements of the Australian climate, our custom-designed carports ensure that your investments remain shielded for years to come. The carport versus garage debate has been fiercely contested among homeowners for decades.

But there's no faster, easier, or more affordable way to protect your investments than a LYSAGHT LIVING® carport, tailored to fit anything from your 4WD, to the family caravan or boat.

Our carports are constructed with strong and durable materials that require minimal maintenance, providing you with peace of mind and assurance that your car, boat, or caravan is well-protected. Embrace practical and affordable shelter with LYSAGHT LIVING® - the smart choice for preserving your investments with style and durability.

WHY CHOOSE LYSAGHT LIVING®?

EXPERTISE AT EVERY STAGE

From utilising the latest design software to smoothing council approvals, we'll ensure your home add-on doesn't add any stress!

STRONG FOUNDATIONS

Australian-made COLORBOND® steel is manufactured to Australian standards and tested in some of the country's harshest climates.

DESIGNED WITH PRECISION

Clever components such as connectors and brackets are pre-welded to reduce construction time and to deliver a neat and tidy finish.

THE FLAWLESS FINISH

Advanced COLORBOND® steel paint technology provides a durable finish resistant to peeling, chipping and cracking.

THE WORLD OF COLOUR

The wide array of COLORBOND® steel colours allows you to seamlessly match existing features like roofing, guttering and downpipes.

PEACE OF MIND

Every LYSAGHT LIVING® structure is backed by a 20-year structural performance warranty¹ plus a generous COLORBOND® steel warranty on the materials used.

WE MAKE IT EASY.

Although our national network of dealers can visit your home to measure and design the perfect outdoor solution, you can also bring in your plans to one of our Lysaght branches if you're building or renovating. Your fully costed, LYSAGHT LIVING® design is expertly prepared and comes with the documentation required for council approvals.

When it comes to installation, simply ask your builder to use a LYSAGHT LIVING® kit or contact us to help you find a local builder. You can also opt to DIY. All outdoor additions are delivered as a ready-to-assemble kit complete with instructions and LYSAGHT LIVING® SmartParts™ to simplify your installation.

WHY LYSAGHT ONLY USES AUSTRALIAN COLORBOND® STEEL

COLORBOND® steel has been made in Australia since 1966 by BlueScope – Australia's largest steelmaker and a global leader in the manufacture of pre-painted steel.

Decades of Australian research and development have gone into creating a range of technologies that give genuine COLORBOND® steel its long lasting performance in Australia's harsh climate.

Renowned for its quality finish and durability, and backed by a material warranty¹ from BlueScope, COLORBOND® steel is one of Australia's most trusted building materials.

SUSTAINABILITY

At Lysaght, we manufacture our LYSAGHT® steel building products range from 100% Australian-made metallic coated and pre-painted steel. These ingredient steel products are durable and resilient to Australia's harsh climate and their long life helps conserve resources and energy that may otherwise be invested in products with a shorter life span.

All LYSAGHT® steel building products contain recycled content and the steel in LYSAGHT® products is 100% recyclable. In some cases it can be reused without reprocessing, again saving on energy and resource use.

THERMAL EFFICIENCY

Many people know that the colour of your roof can make a difference to your cooling bill and no less than five of the colours in the COLORBOND® steel range qualify as solar reflective (light coloured) roofing under the Green Star Communities tool. But there's another way that COLORBOND® steel can help make your home more energy efficient. Every colour (except Night Sky®) in the standard COLORBOND® steel range features Thermatech® solar reflectance technology. Thermatech® technology is designed to reflect more of the sun's heat on hot, sunny days, which can mean less dependence on air-conditioning, plus reduced heat stress for your roof. The LYSAGHT® product range is available in the full range of COLORBOND® steel colours.

CORSTRIP® PROTECTIVE PLASTIC FILM

Some LYSAGHT® products shaped from COLORBOND® steel are delivered with a plastic film called CORSTRIP® to protect the product from damage during transport and installation. CORSTRIP® is made from 100% low-density polyethylene (LDPE) and is suitable for recycling.
