

From battens and purlins to steel formwork, there is a LYSAGHT® product in the structural range to suit a variety of applications. The LYSAGHT® range of structural products is manufactured from 100% Australian made ZINCALUME®, TRUECORE®, GALVSPAN® or DECKFORM® steel.

BATTENS

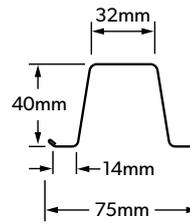

TOPSPAN® 22

- Ideal as a ceiling or internal wall batten
- Embossed top surface encourages plasterboard fixings to grip
- Made using TRUECORE® steel
- Available nationally

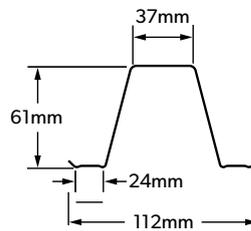

TOPSPAN® 40

- Ideal as a roof batten for residential steel or tile roofs
- Embossed top surface provides improved slip resistance for installer
- Made using TRUECORE® steel
- Available nationally

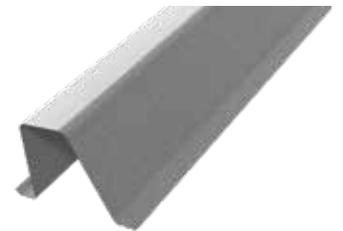

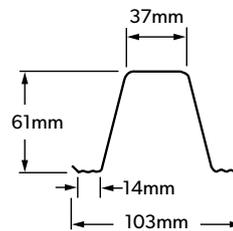

TOPSPAN® 61

- Ideal for small framed sheds and awnings
- Bottom flanges have two stiffeners for additional strength
- Made using ZINCALUME® steel
- Available nationally

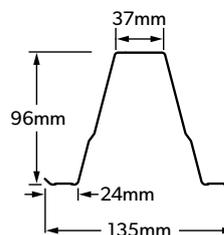

VIC variant

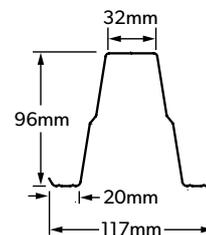

TOPSPAN® 96

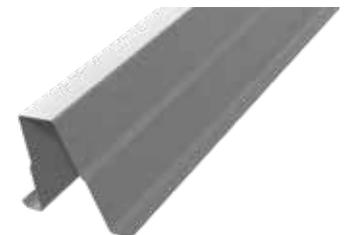

- Ideal as a roof purlin or wall girt for sheds, garages and awnings
- Made using ZINCALUME® steel
- Available in VIC and QLD

VIC variant

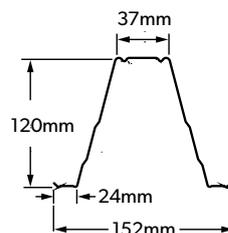

QLD variant

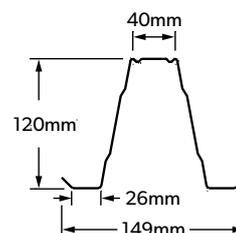

TOPSPAN® 120

- Light gauge purlin for applications with longer spans or those requiring additional strength
- Bottom flanges have two stiffeners for additional strength
- Made using ZINCALUME® steel
- Available nationally

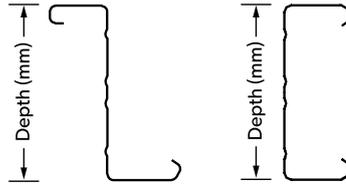

VIC variant

PURLINS

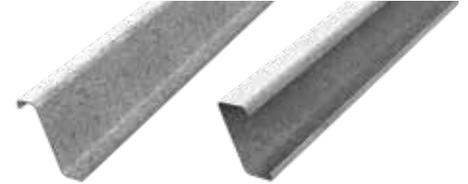

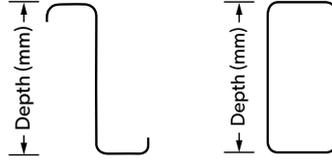

SUPAPURLIN®

- Available in SUPAZED® and SUPACEE® profiles
- Feature longitudinal web stiffeners and added lip stiffeners
- Capable of increased purlin spacing, spans and fewer rows of bridging
- A large range of gauges and depths are available
- Made using GALVSPAN® steel
- Not available in VIC

ZED & CEE PURLINS AND GIRTS

- May be used over single spans and in unlapped and lapped continuous spans
- Range of gauges and depths are available
- Can be manufactured either punched or unpunched
- Made using GALVSPAN® steel
- Available nationally

FORMWORK

BONDEK®

- An efficient, versatile and robust structural decking system for concrete slabs
- Excellent spanning capacities
- Acts as a permanent formwork solution
- Works as a composite slab, saving on concrete and reinforcement costs
- Available nationally
